

SCHOOL CAMPUS SECURITY SOLUTIONS

Visit us online: www.shepherdcnyc.com

Always Safety First

School security is on the minds of thousands of administrators across the country. Shepherd Communication & Security is the one-stop security integrator schools need to keep their students and faculty secure during all hours of the day and night with advanced system options that protect your schools from intruders. Shepherd Communication & Security is committed to keeping schools and campuses secure for students, faculty and administrative staff.

Our solutions can provide you with peace of mind so faculty is able to perform their jobs and your students can learn knowing they are secure.

Shepherd Communication & Security has the experience installing and servicing security systems for large multinational brands throughout the region. In addition to these customers, we also specialize in delivering quality, custom security solutions for schools.

Our security specialists are certified to install a wide variety of security systems in your school while adhering to all current building codes. In addition to installation, we can be your trusted security advisers for years to come and can help support your campus as needs change.

PROTECT YOUR SCHOOL AND CAMPUS

DEDICATED SECURITY PROFESSIONALS

For over 20 years we have offered full-service security solutions for commercial, institutional, municipal and residential customers across the state of New York. All of our technicians are knowledgeable and certified to provide you with the optimal security services you need to keep your campuses and class rooms safe and secure.

Our specialists will train your onsite security team to use your new security systems with ease, and we are always available to support your every need. We can also provide maintenance services on all of the systems we install and keep your systems up and running long term.

Call or email us today to receive a free quote and to discover how our security packages could change the way you think about school security.

OUR SERVICES INCLUDE...

24/7 VIDEO SURVEILLANCE

Monitor who comes in and who leaves your buildings 24/7 with our video surveillance solutions. We can train your onsite resource team to use the systems to ensure nobody can slip by your cameras and identify a security breach the second it happens.

FIRE ALARM PROTECTION

Keep your students, faculty, and physical assets safe in the event of a fire with our advanced fire alarm systems. Our systems ensure the entire school is alerted in case of a fire.

INTRUSION DETECTION

Protect your schools from intruders during class time or any time of the night with our advanced intrusion detecting systems. Our systems provide a peace of mind knowing your campus is safe.

24 HOUR EMERGENCY SERVICE

When an emergency arises at the school, and you need a security solution now, give us a call, and we'll work with you to answer your questions, or assess the system issue instantly.

ACCESS CONTROL

An unlocked door can be an invitation for an intruder. Control who can enter your school and who can't with our custom access control packages. Whether it's 100 doors or 1,000, control who has access to your school.

SERVICE, MAINTENANCE & INSPECTIONS

We will always ensure that your security systems are functioning optimally, so your school is always protected to the fullest.

CARBON MONOXIDE DETECTION

Keep not only the doors and gates of your school safe, but also protect the air students breathe. Our advanced carbon monoxide detectors will alert you the second a problem arises so you can evacuate the school quickly.

STRUCTURED WIRING & INTEGRATION SOLUTIONS

Design, Installation, Integration, Termination and Certification of Voice, Video, Fiber Optic and Data Networks as well as specialized Audio Visual, Automation, Access and Surveillance Camera Systems.
